Alex Morgan

Chief Product Officer · Chief Digital Officer

Abu Dhabi, UAE · hello@example.com · LinkedIn · GitHub

SUMMARY

Product and digital executive with 20 years across banking, property, health and retail. Builds product organisations, platforms and customer experiences that scale, and ties them to commercial outcomes. Comfortable in the boardroom and in a backlog review.

EXPERIENCE

Chief Digital Officer, Halcyon Bank

2022 – present · Abu Dhabi

- Led consolidation of six customer apps into one, doubling monthly active customers.
- Stood up a customer data platform used by 40+ teams with consent built in.
- Launched an AI service assistant pilot with risk sign-off and weekly quality scorecards.

Chief Product Officer, Meridian Properties

2019 – 2022 · Abu Dhabi

- Moved the company from project delivery to 22 persistent product teams.
- Rebuilt payments and checkout, raising conversion 18% and cutting audit effort 60%.
- Launched a partner API marketplace with 60 partners and $6.5M ARR.

VP Product, Lumen Health

2016 – 2019 · Dubai

- Shipped a booking and records app to 900,000 patients.
- Reduced no-shows 24% with reminders and easy rescheduling.

Head of Product, Loyalty and CRM, Orbit Retail

2013 – 2016 · Dubai

- Relaunched loyalty, growing active members by 50%.
- Introduced experimentation, running 140 tests in two years.

Product Manager, then Senior Product Manager, Kestrel Mobility

2008 – 2013 · London

- Launched the first mobile booking app, reaching 1M downloads.
